People who wonder where this younger generation is headed for, should consider where it came from.

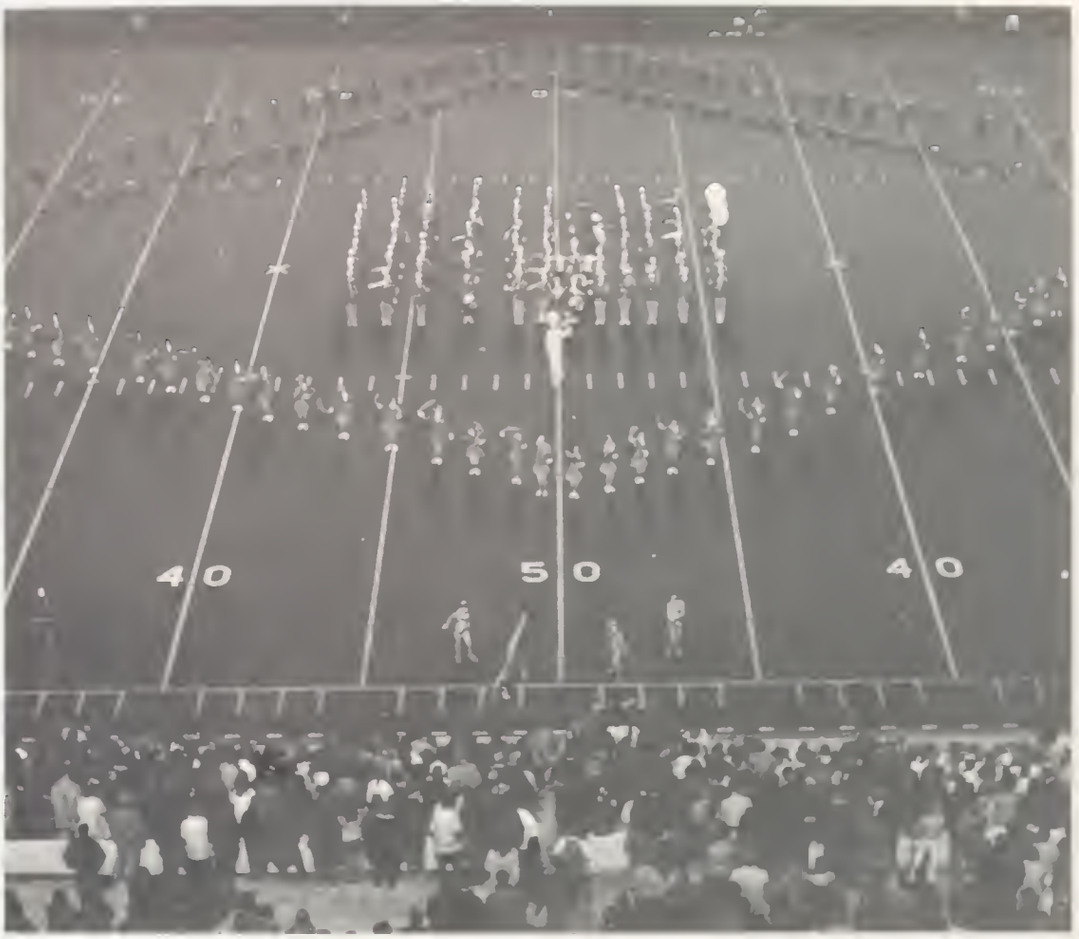

Peace is not the absence of conflict, but the ability to cope with it.

To Understand
is to Pardon

If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured, or far away. -Thoreau

Miss Lillan Grace Brown

Miss Lillian Grace Brown came to Joel E. Ferris High School from Wenatchee, when the school opened in 1963. Looking back over her years in education, Miss Brown may well take pride in the achievements of students inspired by her unfailing faith in their abilities. Miss Brown's former students can be found pursuing careers in professional theater, moving pictures, education, law, politics, and nearly all other related careers. We of Joel E. Ferris High School offer our deep appreciation for Miss Brown's tireless efforts expended in our behalf. For the hundreds of hours spent producing and directing dramatic productions and for the dedicated classroom teaching contribution by Miss Brown, we thank you, we revere you, we wish you well.

The 1971 Exeter staff fondly dedicates this yearbook to Miss Lillian Grace Brown and Mrs. Mabel McLaughlin whose services and dedication to Joel E. Ferris High School will be long remembered.

Mrs. Mabel McLaughlin

Mrs. Mabel McLaughlin has been associated with Spokane Public Schools since 1950. She taught English at North Central High School for a number of years and was then made head of the English Department in 1956. She served as chairman of that department until 1963 when Ferris High School opened its doors. Mrs. McLaughlin was a member of the first teaching staff at Joel E. Ferris. She has taught English and served as Humanities Coordinator here at Ferris. Prior to and shortly after the opening of Ferris Mrs. McLaughlin was involved in extensive research regarding the Ferris "concept." For the service she gave to the founding of Ferris and for the many years of dedicated teaching, we thank her and we salute her.

ORGANIZATIONS

"Education can't make us all leaders, but it can teach us which leaders to follow."

Associated

Pictured left to right are A.S.B. officers Mickey Erickson, Julie Moyer, Sam Wagner, Sallie Sederstrom, and Terry Francher

The fall semester brought new steps forward for the A.S.B. The year started with the second annual Hello Week, featuring a con, tag days for both boys and girls, and other special events. A talent con, Student Leadership Conference, work with the Round Table, and an alumni tea were highlights of the semester. Under President Terry Fancher, fall officers Sam Wagner-vice President, Julie Moyer-secretary, Sallie Sederstrom-historian, and Mickey Erickson-treasurer provided strong leadership. Starting with plans for the Inaugural Ball and selection of a Lilac Princess, the second semester promised to be as active as the first.

Tracy Walters, former coach and counselor at Ferris, was guest speaker at the A.S.B. Installation con.

First semester Round Table members

Second semester Round Table members

An important branch of the A.S.B. is the Round Table, now in its second year of action. Selected members from each class work to promote communication between students, faculty, and administration. Recommendations made to the A.S.B. have resulted in action concerning a new jukebox, a Job Opportunities Service, the Hope Walk, Vote 19, and a concessions stand. First semester chairman was Sam Wagner and second semester chairman was Mark Tsutakawa.

The League

The League of Dresden's first semester officers rise to new heights in their work

The Big and Little Sister Party provided a big kickoff for the League of Dresden's activities. Annual events such as the Dad-Daughter Dessert and the Christmas dance were once again successful. Other fall features included a "Beat the Consequences" con. Fall semester officers Tina Feldman, president; Ann Frankel, vice-president; Naida Lehmann, secreatry; Robin Sonneland, treasurer; Stephanie Baker, historian; and Terri Coker, Sargent-at-Arms, are pictured at left. Carrying on the League's work from the first semester were spring officers Connie Pennell, president; Leslie Nellermoe, vice-president; Linda Javonovich, secretary; Donna Herrmann, treasurer; Shelley Ballou, Historian; and Terri Herrmann, Sargent-at-Arms. A Mother-Daughter Tea and a Cotton Day Dance were among the activities the League sponsored.

Honor Society

The Joel E. Ferris Honor Society was established this year to promote leadership and provide enthusiasm and recognition for scholarship. Forty-four seniors and forty-three juniors were selected as charter members during the first semester. Eligibility for membership is based on a record of outstanding scholarship and meaningful participation in school and community activities. Students must also have been enrolled at Ferris for a least two semesters, during which time this record must have been established and maintained. Mr. Mathews is the advisor for the organization.

A record; however, doesn't tell the whole story. Football is more than sixty minutes on a field, it's a testimonial to the endurance, both mental and physical, and the skill of the players and coaches. A championship team is not only winning all the games, but building pride in the school and in the people who support you. In these senses and many others the 1970 Saxon Football Team were truly Champions.

Saxons Got It Together . . . A Championship!

"The secret of success is consistency to purpose."

"If you wish to reach the top you must begin at the bottom."

Struggling through an endless season, preceding the varsity games, one realizes his performance is an indication of depth. He is proud to have made the team, but has reservations about the games . . . However a 7-1 record is the best yet for a Saxon B-Squad. While tackles are made and passes caught, one remembers that varsity could be possible next year

. . . Perhaps there is something to a championship team, some formula. The individual wrestlers, a coach to direct them and their natural talent. This is what Ferris had to capture the city and tri-district championships for the second year in a row!

. . . They say this is the team that can do it, the underdogs with the potential to upset the league leaders. And through the tough league competition they almost did it. There are times when every shot at the basket sinks in; team work runs smoothly and you know they deserve to be champs. This year the Saxons ended the 1970-71 season with 7 wins and 3 losses, capturing second in the city league, the best ever for Ferris!

. . .As the next shot arches into the hoop you breathe a sigh of relief; you've regained the lead.

STUDENT LIFE

Foreign Exchange Students Enjoy Travels

John Kincaid and Vicki Smith have been Ferris' foreign exchange students for 1970. This summer John was an exchange student from Ferris to Austria. While there John stayed with an Austrian family and attended school. Vicki has come to Ferris from Sydney, Australia. She is living with Judy Sanford and her family. She has taken 7-8 subjects per semester here at Ferris while also being involved with the Saxon Chronicles and the Courtesy Girls. Vicki has brought to Ferris a darling personality and a special warmth.

Hello Week Ushers In A Great Year For The Saxons

The 1970 Hello Week was full of many activities. There was the traditional Door Competition, won this year by 414, Teacher's Day, Twin Day, and the Tag Days. Sallie Sederstrom and Dave Boyle were chosen Mr. and Miss Irresistible. The climax of Hello Week was the great football victory over Shadle Park, topped off by the Kickoff Dance.

Prominent and important fixtures in the 100 building were the One and Only Football Team's pictures. This was a new idea from Coach Mathews to give the team recognition and give the student body a chance to get to know the team too. Each week the players of the week were given special recognition.

THE SPIRIT OF THE SAXONS

1970-1971

The stands no longer ring with the excitement
of joyful spectators.
The turf is no longer filled with fired-up teams,
giving all they have to attain victory.
No coaches or waterboys pace the sidelines,
shouting icy instructions at nervous boys.
Confetti; that once fluttered colorfully under
bright lights, and twittered in the stream
of shouting breaths, now lies lifeless under empty seats.
The stadium is still.
As is the school.
Shouts of we're Number One still echo in the night,
but no students stand at the fieldhouse,
The showers are dry, having soaked happy bodies
long ago.
The courtyard lies black, still enshroaded with
scarlet and silver- GO, FIGHT, WINS and
the bright sign- SAXON SPIRIT.
Football has concluded. It has left, with the
painted courtyard, and shouts of spirit.
But football made a new Joel E. Ferris.
It made men of teen-aged boys.
Football, has created self-confidence, the will to win,
a spectacular pride, within a school
that so desperately needed victory.
Winning was made possible,
by a coach,
a team,
a school,
a spirit, that is unmatched
Joel E. Ferris will never be the same.
Because of You.
Because of Us.
1970-1971
YEAR OF THE SAXON.

-Julie Neraas

"What freedom alone can bring is the liberation of the human mind and spirit which finds its greatest flowering in the free society."

There is a
rythm in
life,
A certain
beauty
That operates
by a varia-
tion of
lights and
shadows,
happiness
alternating
with sorrow,
content with
discontent;
Distilling in
this process
a sense of
satisfaction,
of richness
that can be
captured
only by those
who possess
The gift of
Awareness.
